# Perform a Technical Review

Science and Technology Facilities Council

ISIS Neutron and Muon Source

## Pre-requisites:

- The Call was created
- Proposals have been submitted
- The Call must have ended

## Process:

1. Login to Proposals, (your role - Experimental Scientist)
2. Select the appropriate Call and Proposals list
3. Technical Review overview

**OPTIONAL**

4. Creating an Internal Review
5. Assign a Technical Review
6. Reassign multiple Reviewers

# Login to your Facilities account

Comment 2

Add any comments to help inform the review panel

P 6 WORDS

You do not have to complete the review in a single visit.
You can click on **SAVE** at any time, and the review will be saved, *but not submitted*.

Submitted SAVE

## Once the review is complete.

**Check the Submitted box**, click on **SAVE** to submit the Technical Review of the proposal

Submitted SAVE

Repeat the process, adding information to each technical review you have been assigned to.

If you have any issues or questions about the process, please contact fase-support@stfc.ac.uk

**Reminder** – if you have allocated someone as an Internal Reviewer you ***MUST*** contact fase-support@stfc.ac.uk to let them know, so they can assign them with an Internal Reviewer role.
